

Faculty of Architecture

General Information

Our faculty has a history of 65 years and its dynamic scientific, cultural and intellectual development, outstanding academic staff and graduates have placed it among the select and respectable institutions of our country.

The vision of our faculty is to sustain its position as a pioneering and dynamic faculty which produces and applies science at universal standards through research, is sensitive towards modern, democratic and ethical values, resists political pressure in consideration of the public good, enriches the professional field of architecture with historical and cultural values of identity, produces and realizes utopias and is preferred in the national and trans-national sphere for its educational, research and cultural environment.

The mission of our faculty is to educate leading, multi-faceted, confident, ethical, enterprising, liberal minded, socially responsible and ecologically sensitive students who can think analytically, define problems with a critical view, produce creative solutions to

problems, possess knowledge and information in their field, who have acquired the ability to synthesize, are able to apply their professional knowledge and abilities, are inclined to team work, can use technology, love their profession, can reflect their professional understanding to all contemporary fields of their lives, possess a sense of responsibility and initiative, who are at peace with

society and themselves, value remaining neutral and lifelong constant education.

Our faculty is continuing work towards the improvement of total quality in the fields of education and research in European architecture within the scope of the EU and GATS processes and incorporates 2 departments at graduate levels and 12 programs at postgraduate level.

Our faculty publishes Megaron, a three-monthly virtual journal with national academic refereeing.

Our faculty has more than 10 thousand graduates and there are more than 1320 graduate, more than 300 postgraduate and 120 PhD students at the faculty at present. Our academic staff includes 22 professors, 22 associate professors, 35 assistant professors, 5 teaching staff, 63 research assistants and 2 specialists.
