

Faculty of Economic and Administrative Sciences

General Information

The Faculty of Economic and Administrative Sciences was founded in 1992 with the aim of producing knowledge on economic and social analysis, and to educate individuals equipped with a level of knowledge and ability meeting the requirements of the business world in the present and future.

Curricula of all the departments of our faculty aim to provide our graduates with the education that will enable them to smoothly adapt to rapid and sudden changes contemporary society faces in the social and economic fields and to make the necessary analyses and produce solutions.
