

Department of Turkish Language and Literature

The aim of the Department of Turkish Language and Literature is to educate specialists in the field by providing a basic education and prepare students to more advanced work after graduation and raise well-equipped scientists competent in research and analysis.

The curriculum aims to provide students with a comparative and interdisciplinary view by referring to both eastern and western literature. Courses, featuring diverse fields of content, move beyond traditional structures and present students with different options.

The department has 2 divisions with an academic staff of 3 professors, 4 assistant professors and 6 research assistants.

Divisions

- Turkish Language
- Turkish Literature
